In primary school I had someone I liked but I didn't have a photo until our graduation ceremony provided a good excuse. It became a precious thing to me. Still that is to be expected.

In middle school I liked someone else so I got a photo. What happened to it? Well what would you do with a photo of someone you liked? I put that photo in/on my student notebook for luck. However I don't think it worked.

I NEVER SAID I'D LISTEN TO YOU
